Physical Activity Readiness Questionnaire (PAR-Q) and You

Regular physical activity is fun and healthy, and increasingly more people are starting to become more active every day. Being more active is very safe for most people. However, some people should check with their doctor before they start becoming physically active.

The questions below will indicate if you should check with our doctor before you start. If you are over 69 years of age and you are not used to being very active, you should check with your doctor.

Common sense is your best guide when you answer these questions. Please read the questions carefully and answer each one honestly: tick YES or NO.

Write in Black Ink and if you need to make corrections, please ask for a new form.

YES	NO	Questions

<input type="checkbox"/>	<input type="checkbox"/>	7. Do you know of <i>any other reason</i> why you should not do physical activity?

I have read, understood and completed this questionnaire.
Any questions I had were answered to my full satisfaction.

BRITISH TAE KWON-DO COUNCIL LICENCE PERSONAL ACCIDENT INSURANCE

Whilst injuries in Tae Kwon-Do are not quite common place as in other contact sports these can at times, be so serious as to dramatically affect the injured party or even result in death. The natural reaction in such cases is to seek compensation and this will involve court action which may or may not be successful. It is estimated that only one in five such actions results in an award of damages and a seven or eight year delay must be anticipated. Personal accident insurance will provide such automatic compensation without the need to prove that anybody is liable.

To provide immediate compensation without need to prove liability or pursue court action The British Tae Kwon-Do Council have arranged Personal Accident Insurance in respect of all members. This should ensure that in the event of death a sum is available to the members direct dependents but where permanent total disablement, such as loss of an eye, a limb, or total inability to pursue an occupation occurs, higher compensation to help rebuild a shattered life is called for. Whilst no amount of compensation can adequately replace the quality of living previously enjoyed, a sensible benefit of around £25,000 is considered suitable.

Weekly benefits to assist, but not to replace for the loss of wages is also insured through this particular benefit only applies to people in waged employment. The British Tae Kwon-Do Council considers this fact relative to the ages and employment conditions of their membership and to this end a small degree of assistance is given to students and junior members.

The benefits are as follows;

Death £5,000 per Insured Person of under 18 years of age
 £25,000 per Insured Person over 18 years of age

Total and Irrecoverable loss of sight in one or both eyes £25,000

Loss of one or two limbs £25,000

Total and Irrecoverable loss of sight of one eye and
Loss of one limb £25,000

Permanent Total Disablement
Total loss of sight of one or both eyes or loss of limb £25,000

Temporary Total Disablement £5 per week per Insured Person of under 16 years of age.
Entitlement to this benefit is to a maximum sum of £250

£60 per week per Insured Person over 16 years of age in full / part time employment.

Entitlement to this benefit is dependent upon loss of earnings incurred to a maximum of £60 per week.

Maximum sum payable £3,000

£15 per week per Insured Person who is unemployed and students in full time education. Entitlement to this benefit is dependent upon loss of any other benefit / grants due to the injury to a maximum of £15 per week. Maximum sum payable £300

To qualify for any of these benefits you must have been absent from employment or studies for a period of more than two weeks and proof of absence and loss of earnings will need to be supported by official paperwork i.e. Medical Certificates

In order for any of the above benefits to be applied, claims should be submitted on an official claims form to the Insurance Officer of the British Tae Kwon-Do Council within 21 days, failure to do so will jeopardise your claim and may result in loss of benefits.

(Continued on next page)

Liability Insurance

Injury to a third party or damage to property of others could almost automatically result in a claim for damages, such claims and their associated expenses should the case go to court can be very costly. In the absence of adequate Liability Insurance, members will find themselves financially responsible for any damages and costs awarded, to this end included in the membership insurance of the British Tae Kwon-Do Council is a Third Party Liability Insurance for all its members.

Benefit is as follows; Limit of Liability £5,000,000 / unlimited in any one of insurance

Members Professional Indemnity

As a Tae Kwon-Do student regardless of grade at some time you may be requested to assist the Instructor and train junior grades within the lesson. To this end in order that you can do this officially the British Tae Kwon-Do Council has included in its membership insurance Indemnity cover to the sum of £1,000,000.

All insurance cover is only available to British Nationals and students who have resided in the U.K. for longer than six months.

BRITISH TAE KWON-DO COUNCIL CHILD PROTECTION POLICY STATEMENT

It is the policy of the British Tae Kwon-Do Council to safeguard the welfare of children and all others involved in its activities by protecting them from physical, sexual and emotional harm.

All members of the British Tae Kwon-Do Council who instruct children in the art of Tae Kwon-Do must be provided with a copy of this policy document including the "Code of Behaviour" and must adhere to its contents.

If you suspect a child is being abused:

1. Initially inform your Instructor and your parent organisation's management council.
2. Record the facts as you know them and give a copy to the relevant Instructor and forward a copy to your organisation's management council.
3. Ensure that the child has access to an independent adult.
4. Ensure that no Tae Kwon-Do situation arises which could cause any further concern.

If a child discloses to you abuse by someone else:

1. Allow the child to speak without interruption, accepting what is said.
2. Alleviate feelings of guilt and isolation, without making any judgement.
3. Advise that you will try to offer support, but that you must pass the information on (steps 1-4 above) the same way as in suspecting a child is being abused.

If you receive an allegation about any adult or about yourself:

1. Immediately inform a member of your organisation's council and an officer of the British Tae Kwon-Do Council.
2. Record the facts as you know them and forward a copy to your organisation's management council and a further copy to the secretary General or the Chairman of the British Tae Kwon-Do Council.
3. Try to ensure no one is placed in a position, which could cause further compromise.

DECLARATION

I understand that there is an inherent risk of physical injury in the practice and learning of a contact sport such as Tae Kwon-Do. Whilst the TAGB and Association schools and Instructors will take all reasonable steps to minimise the likelihood of an accident, the risk of physical injury cannot be eliminated. There is particular risk in the context of competitions and grading exercises which by their nature are likely to result in an individual approaching and potentially exceeding the limits of their skills and physical ability. The acceptance of an individual's application to participate in a competition or to undertake a grading exercise does not constitute and should not be considered as constituting any form of confirmation or assurance by the TAGB or any Association School or Instructor to the effect that the individual has the necessary skill or physical ability to safely complete such competition or grading exercise, it being the individual's sole responsibility to judge such matters for themselves.

If an individual has any doubt whatsoever as to their ability to safely complete any exercise in the context of a competition, grading exercise or otherwise it is the responsibility of the individual to withdraw from the same.

The TAGB, and Association schools and Instructors accept no liability for injuries sustained in the course of practicing and learning of Tae Kwon-Do save for injuries attributed to negligence of the TAGB, and Association schools and Instructors. Insurance in respect of such risks is included in your annual membership. In signing this declaration I accept the above recited disclaimer of liability and also agree to abide by the rules of the TAGB as amended from time to time should I be accepted as a member.
